Little Germany in Bloom Once More, Thanks to Local Efforts

Following an absence of two years, hanging baskets have returned to Bradford's Little Germany!

Thanks to the kind generosity of local businesses and residents, 160 beautiful hanging baskets will brighten up the area throughout the summer months.

The baskets are concentrated on Peckover Street, Burnett Street and Vicar Lane. They have been produced by Bradford's ACW Garden Centre.

Little Germany Action Ltd., which organised the return of the hanging baskets, would like to thank all of the sponsors, especially:

- Schofield Sweeney
- This is Chemistry
- Bradford Live
- Freeman Gratton Holdings
- Masterplan
- Eddisons Liv
- Jeff Spolnik
- Bannerman

Due to the generosity of the sponsors, Little Germany Action has been able to purchase a water bowser and recruit someone locally to water the baskets on a weekly basis to keep them looking their best.

Dave West of Little Germany Action said:

"Everybody missed the baskets last year, so after a lot of hard work we have brought them back and made Little Germany look fantastic again!"
